

S.NO.	ROLL NO.	NAME	DEPARTME NT	Online Test (Areas covered & Feedback)	Just A Minute (Areas covered & Feedback)	Face to Face Interview (Areas covered & Feedback)	General Feedback
1	1702021	MANIKANDAN R	B.E MECH	Topic given to me was Dream vacation and favourite movies/series which you liked more. No need of any preparation, develop the content to the topic is enough.	Topic given to me was "What you do, if you invisible a day". Clarity and boldness of speaking is enough.	Clear answer to the questions is enough.	Attend the interview process properly will be enough to get placed.
2	1702022	MATHAVAN M	B.E MECH	Online test is to check your non voice process.	They give one common topic and we have to speak about that for a minute while, if you impress them through your way of speaking they will raise further questions to check your voice process precisely.	General HR round questions as we known.	The overall interview process was good. This is one of the best company in the ITES/BPT fields.
3	1702029	P.PRANESH	B.E MECH	Good	Very communicative	Nil	
4	1702071	GIRIDHARAN S	B.E MECH	English Grammer and essay writing	Communication	Communication	Answer Boldly
5	1702082	LAKSHMIPATHY VIKRAM L	B.E MECH	It is a 30 minutes Test on essay writing on topics like "Future loved places to visit" and "Characters you like the most in movies" in about 250 words. Its quite interesting...	JAM session is conducted through CISCO WEBex application Platform, It is like about conversation between HR and an individual, Topic given "Imagine yourself as a invisible man for a day, what will you do ?". It is a friendly conversation and an Interesting topic.	No Face to Face Interview conducted. NIL.	Focus on verbal communication and fluency for Voice test ; Focus on techinal areas for Non -Voice. The whole process is comfortable
6	1802209	PRAVEEN K	B.E MECH	Describe a paragraph about favorite movie,show and dream vacation	If you are Invisible for 24 hrs what will you do?	General topic	Interview process were conducted smoothly without any difficulties
7	1802228	MOHAMMED NAFEEES A	B.E MECH	It consists of General Topics to test our writing skills. It was simple and easy to answer	They gave a simple topic and asked to talk. They tested our ability to speak with a good flow.	They asked very general questions and it was easy to answer	It was a friendly interview and it was easy and simple
8	1704059	AVUDAIAPPAN S	B.E. ECE	The areas covered were our essay writing skills and written skills. We was told to write an essay about a general topic.	This session tested our communication skills and testing abilities to talk in front of an audience. It was a new experience and it was good.	I was asked about myself and my attributes. I felt comfortable enough to answer the questions.	Overall, the placement process was very smooth. I didn't hesitate in any part. The Interviewer made me feel comfortable. It was a good experience.
9	1704073	JAYANTH S	B.E. ECE	general topics	basic topics and it should be without any grammatical error	prepare your contents in resume	
10	1704102	SATISH V	B.E. ECE	General essay writing - need good verbal skill in english	General topic given - Should have good communication skill in english	Self introduction	
11	1705044	SHANU S	B.E CSE	Essay and situation topic were given and it very easy	General topics	General question were asked	Very good
12	1705070	BENGIA CHECHE	B.E CSE	The first round was on essay writing.	For JAM session general topics were given. Fluency in English and confidence play the major role.	Basic questions were asked	Entire process was good
13	1607014	DINESH M	B. TECH IT	The Questions was easy to answer. But, could not attend the video test because of some device/application issues.	It was good.	It was good.	Overall interview process was smooth, HR from Sutherland was motivating.
14	1707041	RADHAKRISHNAN M	B. TECH IT	Conduct mock test how we are been in vocabulary	They conducted a gendral question and ask as to explore it		Be strong in communication
